

TIPS ON HOW TO TAKE A GOOD VIDEO

DON'T KNOW WHAT TO SAY?

Start with this.

1. Introduce yourself
2. Share your *Grow Beyond Vision*
3. Close your message

BEFORE YOU BEGIN TO RECORD YOUR VIDEO

Equipment

Your phone or laptop, set to record in horizontal format.

Environment

The focus is you. Look behind you, keep it clean.

Audio

Go to a quiet area, or use a headset or headphones.

Lighting

Set-up your station with a ring light or in a well lit area.

RECORD - RELAX.

You don't have to get it right on your first try.
